**LOCATION**—The sale will be held in the modern heated sale pavilion on the Osceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of Highways 9 and 33, and excellent paved and graveled roads run in all directions. It is on the main line of the Chicago and Northwestern Railroad.

**TIME**—The sale will start at 12:30 p. m. on Tuesday, January 13, 1953.

**TERMS**—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

**GUARANTEE**—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

**MAIL BIDS**—Mail or wire bids may be sent to: Allan C. Atlason, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Clem Larson, Callendar, Ia., Thos. W. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa.

## Our Invitation

The Officers and Directors of the Tri-State Shorthorn Breeders Assn., again extend their invitation to all those interested in good Shorthorn cattle, to attend the Thirteenth Annual Show and Sale at Sibley, Iowa, on Tuesday, January 13, 1953.

This entire thirteenth offering has been individually inspected by the Sale management, and the consignors have co-operated by offering cattle that were as good and better than previous offerings.

Tri-State Breeders realize and accept this responsibility as each year more new buyers come from a considerable distance to select their herd bulls and select good producing females.

Nearly 1000 good Shorthorns have been sold over an area of twelve states the last twelve years.

We point with pride to the very best herd sires and outstanding females that are continually being brought into the Tri-State area from all parts of the United States, Canada and Scotland. You buy prestige with these kind of cattle.

We honestly believe this is Tri-State's finest offering with more good headed herd bulls and young foundation females than ever before.

The Tri-State Association appreciates the co-operation of the Sibley Chamber of Commerce again this year in presenting this prominent annual regional event.

Come to Sibley Tuesday, January 13. See a top breeder judge a good show, and buy the kind of cattle that will appeal to you.
